So sorry for your loss. I just found out. I was in Target servicing CVS in Attleboro when The Pharmacist was checking out my name on my badge and asked if I new Scott Lafond. She then shared after I ask how the family was. She was a gentle woman and very kind to me. R.I.P Nancy.

“ *My sincere condolences to Les and other Family members in your loss. When I remember Nancy I think of her mischievous smile and twinkle in her eyes like she is preparing to do something FUN! She was fun to be around and always so positive. I haven't had "Our Group" party since pre-covid but when I do she will be missed but there in Spirit.*
Much Love, Pam Ferland

“ Les, Shirley and I send our most sincere condolences to you and your family. The sad news about Nan resurfaced a long-held regret that I never really thanked you and Nan for our professional colleagueship at VTC and for extending your unassuming friendship to us. Now it is too late for Nan, but somehow I think she knew that such thanks were due --- and were real: due because she knew that you offered VTC an administrative model that the rest of us should emulate and that I was trying, however minimal the success; and real because of how we valued your friendship. Our thoughts are with you. Please add our sympathies to all those you will receive from the many lives you have touched and may they, together with the comfort of family, support you in the days ahead.
