“ My thought & prayers are with the immediate family members at this time of such great loss and sorrow. It was a pleasure knowing Nancy, even though I hadn't seen her in a number of years. I had not been informed of her husband, Harold Wayne Lambert, Jr.'s passing until after his burial. I'm very thankful that my cousin Alta to inform me of Nancy's Homegoing last Thursday or Friday morning. Thanks again Alta!! There was a time in my younger life when Harold Wayne, Nancy, and their sons brought lots of enjoyment into my life, and into the life of many other family members. Thank God for family members who love other family members as much as Nancy & Harold Wayne loved the Lambert family! Now, May she rest in peace in the arms of our Savior. Thoughtful, Loving & Caring Blessings, Stan Lambert Jacksonville, FL

“ My aunt Nancy was one of a kind. She had such a sweet, loving nature. I am proud I got to be a part of that growing up. I was fortunate to get to spend a week at the "Lambert" house during our summer breaks. It was so much fun. She always made sure we got to do something fun that we wanted to do, and definitely made sure we were well fed. We will love and miss you. Happy that you are now at peace with our family in heaven. Till we meet again...fly high?

“ Nancy was one of the sweetest cousins. She will be missed greatly. I have fond memories of the first time I met her. She and Harold Wayne were at a family reunion at the Water Works in Newnan. I thought she was beautiful! Gail Lambert Cadenhead

“ Nancy was more of a sister than sister in law. Married to my brother Harold I learned to love and have the upmost respect for Nancy which was not a difficult task due to her loving nature. We both felt this loving tight bond between us. I was very lucky to have her in my life. My two sons called her "Uncle Nancy" and she loved that. She will be greatly missed but knowing her was a humbling reward to remember with great love. She loved the Lord above and with him in all the glory! I love you my sweet Nancy. Love, BeBa
