“ *My mother Faye Baker from Danville, Va remembers Peggy fondly. We were all members of Burton Memorial Presbyterian in Danville, Va. We also remember Mrs. Emerson, she lived on Park Ave.*

We have wonderful memories of that church, especially Rev Ralph McCormack and his dog Rabbi.

*God bless

Belinda, I remember you and your mother and your father Bobby Baker. I loved Burton Memorial, especially Mr. McCormick. When my family lived in the manse, he would read me the funny papers every Sunday. I hadn't thought about Rabbi for decades. Thank you for bringing back memories.

“ *I was looking through the obituaries for an old friend and saw this. I worked for Senoir Helpers many many years ago and remember Mes. Grogan so well. She was the sweetest lady and I enjoyed my time with her. I remember decorating the porch for every month and walking her little dog, Tinker! Fond memories. I am so sorry for your loss, Ms, Sherry and will keep your family in my prayers!*

Thank you for sharing your memories. I remember you, Amanda. Tinker passed a couple of years ago after Mother moved to assisted living; he was almost 16 years old. I have just retired from teaching, and one of the ways I will honor Mother's memory will be decorating the house inside and out for each season.

“ I loved working with Peggy at Fulmer. I think my students got special treatment from her because of her love of music. I did, too. She was a real blessing to me!
