“ I went to Kindergarten with Natasha. She was always so quiet and kind back then. I hate that I didn't know she had Facebook because I would have loved to have reached out and talked to her. Praying for you all through your loss. 🙏

“ It has truly been a blessing for me to be able to call Natasha my friend for so many years. I'm still having a hard time believing that her sweet, smiling face won't be coming through my shop door in a couple of weeks. I'll always treasure the memories of the times that we spent talking, laughing, sharing stories every month of what was going on in each of our lives. I will keep you all lifted up in prayer now and in the days ahead! 🙏❤️
