“ Richard and Debbie, I am so sorry for the loss of Nat. I must admit, when I learned of Nat's passing, my first thought was he is singing and dancing around in heaven! Bless his heart! Nat touched the lives of so many people. Heaven is much sweeter now knowing that Matt is there waiting. God Bless You All. My thoughts and prayers are with you. “ Dear Debbie, I know you probably don't remember me, but I was the Lab Manager at the Clinic sometime back. I remember you and Nat coming in for his lab tests-and the beautiful bond that the two of you had. You told me of his story and how much he and his grandfather loved each other. It made quite an impression on me-one that I will always remember. While this time is so painful, I know the joys that you shared will, in time, come back to the fore to ease your ache. Know that the hearts, minds, and prayers of all who knew Nat will be with you for as long as you need them. God bless.

“ I was unable to attend the service for Nat. But my heart goes out to you. He was such a joy everytime I saw you both out together out and about. God now has his son with him and Nat is well again.

“ To the Glover family, I never had the pleasure of meeting your sweet son, but I felt like I did through my daughter, Karen. She often spoke of him and how much she loved him. May God give you comfort and peace knowing you did everything possible to take care of your precious child. He will be missed.
