Nathaniel was one of my most favorite cousins! He loved his family, loved hunting, fishing, Ford trucks and the Varsity and his humor was the best! He will be greatly missed. I'm praying for all those left behind for peace and comfort only the Lord can give! 🙏

*“ Nathaniel might not like what's going on. People are saying all kind of good things about him. I don't think that's what he would want. He didn't understand how much he affected people and how much they appreciated him! He brought smiles and laughter to those around him that knew him and loved him!
That's how he'll be remembered - smiling and laughing!
Nathaniel made a difference!
My heart aches for Kristen, Gavin and Paisley! May you feel the surrounding, supporting prayers!*

“ Our family has many sweet memories of Nathaniel through the years and we are heartbroken to hear the news of his passing... he is gone too soon. We are praying for the family during this time that is impossible to understand. The picture posted of Nathaniel fishing is how we remember him and the last time we saw him he was bragging on his family and his two beautiful children. This world will miss his kind, tender heart.
