“ I am sorry to learn of Ms. Nellie's passing. I first met her about 15 years ago at the Huddle House (HH) just south of Newnan. I am originally from Moreland. At the time I met her, I was an over-the-road long-haul trucker passing through Newnan and had stopped at the HH to meet up with Mr. Sam Whitely of Moreland to get a bit to eat. She didn't know me from Adam. However, when she came over to take my order, she started cutting up with me. That's is when she caught my attention. She was one of a kind. We became friends after that and kept in contact with each other from then on. I always looked for her when I stopped at the HH. The last time that I saw her was at the HH in June 2016. She drove down there just to see me. That I will never forget. May she rest in peace. May God bless her family and friends during this time of sorrow.

“ I'll always remember her picking on folks at the Huddle House. Everybody there knew she like to cut up with them. Especially people from East Newnan. I can still her laugh when she knew she got the last laugh on people. Prayers for her family and for my cousin Ricky. Her and Ricky were together for many years. His momma use to say, that he needed Nellie to keep him straight and out trouble, and she usually did. She will be missed, fly high Nellie, love you💜💔🙏
