“ *We will always remember Nick and his brothers for their visit to our place on the lake in Alabama where they visited and fished with the three granddaughters that lived with us. Nick was just younger than our eldest (Dallas) and just older than our twins (Stormie and Tempest). We will treasure those memories and wish him peace now. Our condolences to Judy and Lennie for thier terrible loss. Our thoughts and prayers are with you.*

“ *I had the opportunity to meet Nick a few years ago while visiting family in Atlanta. I was immediately struck by his beautiful spirit. He was kind, respectful, polite, warm, and caring. I was devastated to hear of his passing and am so very very sorry for his family and friends. Please know that he touched my heart and I carry his memory with me all the way here in Tucson, Arizona.*

“ *Judy, Alex, and Graham,*

*I couldn't believe what I was hearing this morning when someone told me of Nick's passing. I still remember him walking in my classroom. He was such a precious boy. My heart hurts. Although the pain of losing him is hard to bear, we must remember he is at peace walking streets of gold. Know I love each of you.*

“ *I am so very sorry for your loss. Losing a loved on in death is one of the most painful experiences that we as humans endure. The Bible teaches that even Jesus "way to tears" or "wept" when he saw the pain that the death of his beloved friend Lazarus caused. (John 11:35) Thus, we can likewise be sure that our Heavenly Father is also more than aware of our feelings during these difficult times, and like his son, he has the power and desire to do something about it. Therefore, we can have complete confidence in the words found at Isaiah 25:8,9 and Isaiah 26:19. In these verses, God promises to "swallow up death forever" and that our dead loved ones "shall rise". May these scriptures bring you a measure of comfort and assure you of God's deep love.*

“ When we moved hear from California Nick became my son's friend at school in the sixth grade. Kurt was so glad to have found Nick at Arnold because he was missing all of his friends in California. Nick helped make that move a lot easier for Kurt. When Nick went off to Heritage they drifted apart, but I remained friends with his Mother. My heart goes out to you Judy, and you are in my prayers. May Lenny, Alex, Graham, and Judy find peace and know he is in a happy place with God !

“ My heart goes out to the Newman family. Nick was a very sweet young man, I am proud to have known him in my life. I know he will be missed by many. The Lord said " My precious child, I never left you during your time of trial. Where you see only one set of footprints, it was then that I carried you."

*There are no words anyone can say to make the hurt go away. Know you are all in my thoughts and prayers.*

“ One of the most genuine and best spirited people I ever had the pleasure of being around. My prayers go out to the Newman Family. I was very blessed to have a friend like Nick and will never meet another person with the kind of heart he had. I'll never forget playing golf with him for hours on end and doing it all over again the next day. I'll always treasure the time I had with Nick.

*I remember meeting Nick at our very first tiger cub meeting all those years ago, he and Michael became fast friends stayed the course all the way through Eagle Scout. We had many great adventures on that journey, and it gave me the privilege to watch him grow from from that little boy into a fine young man. The world today is a lesser place with his loss.*

“ I have just heard of Nick's passing. I am so terribly sad for Judy, Lenny, Alex, and Graham. My heart aches for your loss. He was so young and had so many years ahead of him to do great things. But, I guess God needed a new angel.

I remember Nick as having a great sense of humor. I also remember him playing music at McDonald's, where he worked. You never think of a band performing there, but it happened.
