

Nicole Marie Nice

October 31, 1997 - July 26, 2021

Nicole Nice, 23 years of age, passed away unexpectedly on July 26, 2021. Her parents are Dr. Patricia Nice and Mark Nice, all from Newnan, Georgia. Nicole was a life-long resident of Newnan. She was a mathematics major in her senior year at University of West Georgia. She graduated with honors from East Coweta High School in 2016. Nicole had a love of the world of mathematics and had a gift for teaching children, many which she tutored over the years. She was also a lover of animals and was an avid rescuer. Her love of animals began as a small child when she and her mother rescued homeless and abandoned animals. She had a huge heart for the abandoned and the needy which extended to the homeless people in Newnan who she would bring blankets and food, always with a Bible tucked inside. She had an ongoing library for several places including the nursing home where her grandmother resided before her death. She also set up a library in her mother's medical office where patients could check out books and bring back at future appointments. Her heart was big for just about any situation, always feeling the need to do what she could for the less fortunate.

Nicole had a presence wherever she went. She was full of life and love and was quite beautiful too. She had an infectious laugh and was quite humorous. She was head strong and had no trouble expressing herself. Nicole had a strong love for Jesus Christ, and we know with certainty she is currently being held ever so gently in the palm of his hand.

She is survived by her parents, and her adopted grandparents, Estelle and

Malcolm Jackson of Newnan, her Aunt Laura Jones, from Fairview Heights, Illinois, her Aunt Karen and Uncle Larry, of Newnan, her beloved Uncle David Jackson, and Aunt Carrie Jones of Newnan, her two half-sisters, Katie and Megan Nice, North Dakota, aunts and uncles, several nieces and nephews from Illinois, Iowa, New Hampshire, and Texas. She also leaves many close friends, including Zachary "Sunshine" Gilliam, Newnan, Georgia, our very close family friend, Laurie Bachelor, of Palmetto, and her very good friend and neighbor, Devon Oakgrove, who was always there for her.

She is preceded in death by grandmothers, Margaret Nice, of Newnan and Pat Jones, of Benton, Illinois. Nicole's life, for us, ended way too soon. She is very much missed and very much loved. We are comforted by her strong love of the Lord and her knowledge that God loved her very much.

“ A beautiful, precious soul gone way too soon! Nicole was smart, kind and loving. She will be missed by her parents, her family and her many friends. My prayers for her mother and father during this most difficult time.

“ I am beyond heartbroken to hear about the loss of your beautiful daughter! Nicole was always so cheerful and sweet to me every time I saw her. I always appreciated the friendship she showed to Cassie and Corey during their high school years. Nicole and Cassie were often playing with all of the cats your family had rescued and that will always be a very fond memory for me. Your sweet girl even introduced me to my favorite chicken wing spot. Needless to say, Nicole touched many lives in so many ways that she never knew. She will be forever missed!

“ Patti and Mark, I won't go through the 20+ years of memories that I have of the three of you and Charles and me. I will say that Charles and I were so honored when you asked us to m be Nicole's Godparents at the Episcopal Church here in Newnan.

Nicole was a breath of fresh air! And one of the most beautiful humans that I have had the pleasure to know- both her physical beauty (which was breathtaking), but most especially her heart and soul.

I have no words to say that will make you feel better, though I do believe that God speaks to us through other people. We must of course, be careful who we listen to.

I have learned one thing in all of these years- those we love are not "gone." They are still with us, just beyond our sight and hearing.

You both know that I love you, and that I will help in any way that you need.

*Much love,
Rhonda*

“ I was close friends with Nicole throughout elementary school. Although our friendship drifted when we attended different middle & high schools, I will always remember her kind & caring heart. She was such a bright, sweet girl who made friends with everyone that met her. She truly made my childhood that much sweeter just by knowing her. Her family & loved ones will continue to be in my prayers.

“ The loss of such a young, bright, beautiful soul taken way too soon is so hard to comprehend. My heart aches for all of you, but I know you will find comfort in knowing she is smiling that gorgeous smile and running those streets of gold with thousands of animals by her side and looking into the eyes of Jesus. My prayer is that those left on Earth to mourn her loss can feel the love and peace that surpasses all understanding! I know God is with you. I pray you will feel His loving arms wrap around you tightly, and you will be filled with His strength and understanding. Many prayers and all the love in the world go out to you during this most difficult time and in the days ahead! God bless you!!! We love you!!! Kristy, Jeff & Carter

“ Nicole was a ray of sunshine. She was oh SO kind to the world around her even when it was not kind to her. Every time I've seen Nicole since high school, she would ravish me with complements. She was someone who deserved the world. Praying for her family to have peace in knowing that Nicole was the sweetest person.

Myself and my two sons Joshua and Aaron met Nicole many times through her mother Dr Patricia Nice. Nicole was always full of life and was her parents pride and joy. I know she will be missed, this saddens my family. The nice family is like family to us and this shock was something that I can't explain.

Prayers for her family and friends and I listen to this song and was played at my sisters funeral I dedicate it to her family

As a former Arnall Middle School teacher of Nicole's, I can honestly say she was and will always be one of my favorite students. Her smile and sweet voice always brightened my day. I was a better teacher and person because of her. She made an impression on everyone she met. A beautiful person inside and out. My heart breaks. Many prayers for her family. ❤️🙏
