“ Steve & Arelia, What memories I have of your dad and also your mom. Without a doubt we know where he is and I'm sure my mother and grandmother were so excited to see him. I can remember such good times growing up at East Newnan Baptist Church and what workers they were in the church. I think of good times often and I just want to thank your parents for providing a home where we were all welcomed and had such fun! Memories -- they're wonderful!
Love you!

“ Arelia and Steve, I was so sorry to hear about your Dad's passing. He was a wonderful man and I have great memories of him. I will never forget the unselfish hours he spent pitching baseballs to us and coaching us to be better players. Your Dad and Mom always made it so warm and welcoming at your home when we were kids. I am sure they are very happy to be together once again. I am so sorry I was out of town and missed his service. God bless you both. You have a great Dad to remember. Tommy Bell

“ Dear Family, My name is Ronny Kilpatrick and I would like to express my deepest, heartfelt sympathy in the passing of "Uncle Noah". Eventhough, I can not personally remember Uncle Noah, I feel that I do. I have known the "MORRIS" family of College Park for well over 55 years of my life and feel that I have always been a part of the "family", in one respect or another. Once again, my sincerest and deepest sympathy in "UNCLE NOAH'S", passing. My Love and deepest respects to the entire MORRIS Family, Ronny Kilpatrick

“ Uncle Noah, God's Word clearly tells us that "to be absent in the body, is to be in the presence of the Lord". Those who have known you during their lifetime know you are celebrating your new body, pain-free; and this Thanksgiving you will sit at the Father's table, where you will be His honored guest; your precious Aunt Kathleen by your side; and a multitude of loved ones and friends you haven't seen for a very long time. You will be greatly missed, but we rejoice with you, knowing you fought a good fight, the race of life is over, and the victory has been won! I am so sorry I didn't get to tell you in person, but I want to thank you for the influence you were in my life, as a child and as an adult. Love, Barbranne
