“ Noah, you were always such a wonderful friend not only to me when I needed you, but to my Papa Red and the rest of my family. I know you and Papa are having a heck of a time talking cattle and life in general. You were such a bright light in this world and I never knew you to not have a smile on your face anytime I saw you. You will always be remembered. You're sure missed so much already. Love you, friend! Rest in peace, my friend. You work here is done and your legacy will live on in the hearts of all who knew you. ❤️❤️❤️
