

Nolly Marie Rife

October 26, 1941 - June 8, 2025

Nolly (Nolie) was born at Clark Air Force Base, Manila, The Philippines in 1941, 8 weeks before the Japanese bombed Pearl Harbor. She is one of 8 children, the third oldest daughter of Jesus & Agueda San Luis. Her father was a guerrilla resistance fighter, aiding the US in the fight against the Empire of Japan. Following his survival of the Bataan Death March and Concentration camp, he, like many other Filipino Freedom Fighters, was granted enlistment in the US Armed Forces and eventually awarded the Congressional Gold Medal. Her family moved to Okinawa (occupied Japan), the US, and Europe for her teenage years and finally settled in Alexandria, VA, where she graduated from high school. Nolly graduated from the Georgetown registered nursing program.

In April 1966, she married Bill in Fairfax, Va. They moved to the Maryland Glade Valle,y where they lived for 51 years. She was deeply committed to the community, volunteering with the Jaycees, 4-H, Hospice, the Lions Club, Girl Scouts, and their church. Nolly also spent untold hours with participants of the ARC of Frederick County, Frederick County Parks & Recreation, and spent a week each summer for 26 years at Bishop Claggett's Special Challenge camp for developmentally disabled adults. She exemplified Ephesians 6-8, "Serve wholeheartedly, as if you were serving the Lord, not people, because you know that the Lord will reward each one for whatever good they do, whether they are slave or free."

Nolly was ushered to Heaven listening to Elvis' How Great thou Art. She is

survived by her husband of 59 years, William Rife, Newnan, GA; 3 daughters Kim (Allan) Steel, Middletown MD; Karen (Kevin) Comegys, Newnan GA and Stefanie (Scott) Corbitt, Brunswick Ga. In addition, she has 6 grandchildren: Haylee (Tom), Kristopher (Ashley), Hannah (Kaleb), Kearston (Beau), Holland (Tyler) & Isaac; 13 great grandchildren: Aurore, Matilda, Levi, Van, Everett, Ezra, Shea, Briggs, Byler, Kallie, Rex, Summer and Ellie. She is blessed with countless loving nieces, nephews, and friends.

Memorial services will be held at a later date in Newnan at Go Church and in Frederick, MD. In lieu of flowers, please consider an act of service, a donation to the ARC or a charity of your choice.

My dearest Stef,

I just happened upon this notice today and was shocked and immensely saddened. I am so deeply sorry for your mom's passing. I know how difficult it is. My deepest condolences to you and all her loved ones. She was a beautiful and kind human being and definitely one of my favorite relatives.

As odd as it may sound, my mind flashed on one of my visits to your mom and dad's place even before they started having the pig roasts, I think. They had a fabulous vegetable garden that was patrolled by white, fierce guard duck. I was so amused by the idea that I have never forgotten. May she rest in eternal peace.

“ Billy and Bill were volunteers with the Frederick Junior Miss Scholarship program sponsored by the Jaycees. They were my mentors in 1972-73 the year I was the Frederick Co Representative. We became lifelong friends. Nolly always warmly welcomed us into her home and life. I have a beautiful pair of wooden candle holders that Bill handmade that still grace my dining table. I think of them both every time I look at those candle holders. She was the most compassionate person I knew. My heart goes out to her family as she'll be greatly missed.

Jr Miss was such fun for them. You and your family are precious to us. She marveled at the connections and how they would come full circle later in life

“ *Nolie and Bill were our friends almost from when they first moved to Walkersville. They lived right up the Street from us on Fulton Avenue. Bill and Doug met through the Jaycees and we had children about the same age. While Bill and Doug were active in the Jaycee we became active in the Jaycee wives, later we joined the FSK Car Club where Nolie served as President) and Glade Valley Lions Club where she also served as President. . We all ended up at one time or the other serving as President . We couldn't have done everything we did without each other. Truth is we had a lot of fun serving our communities and organizing fun activities and fund raisers. Nolie was Filipino and she taught me to make many delicious dishes but no one could cook like Nolie. We will miss her so much and thank God for having Nolie in our lives. She was a wonderful person and the light of God shined through her. I know her friends and family will keep her kind acts shining. Hugs to all*

“ So many people were blessed from knowing Nolie. I met many people at their anniversary celebration in April with wonderful memories to share and they all said that they would not have been the same had they not met Nolie. She was like a mother to them . She made an impact and she will be dearly missed.
