“ Tick, Alvin and Gwen.... I got the call last night about Norma...then your begin to remember...I remember Moss Rose China, the tiny kitchen in Moreland that had such wonderful food cooking... Yard Sales - she loved to go shopping ...her "laugh" - it was so big, warm and strong....to hear it made you laugh too....the garden out back each summer....the Money Trees that were always just been picked before I got there...the camper in the yard...the summer she and Johnny came to the beach and the air conditioner broke and they came over to cool off...I'm so sorry I can't be there this weekend, but I will certainly be there in thought...love to all of you.
