“ *I'm saddened to hear of Norris' passing. I worked with Norris for a number of years and Owens Corning. He was a great friend and an exceptional co-worker. My prayers and condolences.*

“ *There is a saying that friends are like stars....you may not always see them but you know they are there. I now have a friend among the stars. Norris' passing sadden a lot of hearts. Norris was a great person. I worked with him most of the thirty-seven years he was at OC. He was always fair, honest, caring and most of the time happy go lucky. I will miss Norris but I am glad I had a chance to know. Virginia , girls and the rest of the family remember that the Lord is your Shepherd and he will see you through this difficult time.*

“ *My deepest regret in hearing of Norris passing. I had the pleasure working with Norris via phone/conferences for several years. Unfortunately we never had the opportunity to meet in person, but that didn't prevent us from developing a lasting friendship. I came to the conclusion from our conversations, he loved his family and was a good man. I will miss him. Dave*
