“ Jan, Sammy, & the rest of Tony's family, ya'll are in my thoughts & prayers, I'm so sorry for your loss! When someone leaves us it hurts, we're angry, feel empty @ times, & just feel as though it's surreal, not even happening, but then you'll think of a memory that stands out, then you'll realize that you're really not alone. Your daddy will always be with ya'll in memories, moments of laughter, & pictures.....when you've got those, you've got everything he lived for, the love of his children, step children, & all the grandchildren. Nobody can take your memories away from you! He was a good man, with a good heart, & sense of humor. Love ya'll! DeDe

“ Tony, you will be missed so much. The love I had for you will go on until I see you again. The last time I had a long talk with you was at the hog pen with you and Sammy. I had on white pants and you wore mud. I think that was the best hug I ever had. You said "uh uh, I'm covered in mud" I could have cared less. I got back in my car hollered I love you and was gone with NO mud on me. I have that memory.
