“ *Onys was a wonderful person and great friend. She did my mother in law's hair and nails for many years and took such good care of her. She considered Onys to be a great friend and so did I. We have missed her since so moved from LaGrange and are so saddened to hear of her passing. Our condolences to all the family. She loved you dearly.*

“ Ms Onys, I’m so saddened by your passing, you are and will always be in my heart. I will miss our talks at your kitchen table, all the delicious foods you have prepared for my family. I know these last few years have been physically demanding on your body and understand that it became tired and was ready to go home. I will miss you tremendously, but know your wrapped in the comfort of the Heavenly Father’s arms now, and free from any pain/suffering. Daddy was your good friend here on earth and now your friendship has been reunited in Heaven. Tell him I love and miss him so much. You and he can continue your talks about beautiful flowers and working in your yards.

PS you know he’s going to say his flowers out shined yours ❤️
