“ Troy I am so sorry for your loss of your sister, just always know she is with you. Somethings from time to time will take you back down memory lane with her, Like the sweet smell of a flower or a scent of perfume , I can still smell certain things and it reminds me of the wonderful times I had with people. Take care and always know that I am just a click away. God bless you and your family.

“ Donnie, please know you and your family are in my prayers. Pam was such a sweet lady and I know there is a huge void in your heart now. Your family has certainly had your share of heartache these past few years. Continue to lean on God for all the answers and He will provide. May His blessings be abundant to you and the children.
