“ Dear Bill and family, Mom and Dad shared with me their visits to your home recently, how precious and perfect Pat's moments with her family all around, and how you were able to send her from your hands into God's hands. I can't imagine a better sending. I hope this for all my loved ones someday. I envision sweet Pat celebrating right now, and wanting for you to feel the peace she is experiencing. You have a major deposit in heaven. Our thoughts and prayers are with you now and as time passes. We are so sorry for your loss. Sincerely, Susan and Rob

“ Dear Billy, Sallie and I send heartfelt condolences to you and all your family on the passing of your wife, Pat. I learned of this from my sister, Maureen, who lives in Sharpsburg and read of it in the Newnan paper. Having lost touch of you after the last reunion, I regret making this contact for a reason such as this. We too have been married for 50+ years and I cannot imagine how it must be to lose your wife, with all the love you both must have cherished for all those years. This is true I know for your children, also. It has been said though that for those of us who have so many memories we can find comfort as we think on those things. Sad it would be if there were no memories to rely on. In losing both my parents and my brother, Jack, at age 37 I have found great comfort in a number of scriptures...but my favorite is 2Corinthians 5:1-10. Just know that we will pray that you can be encouraged by God's Word, found in many places there. I have memories of our friendship during our highschool years and they are precious to hold onto. I hope we can look forward to our next reunion and a time to enjoy each other's company once again. In the meanwhile we wait patiently on what the Lord has for us. Our love to you in Christ, Marshall and Sallie
