“ I just learned of your mothers death and am very sorry for your loss. I loved her like a mother. We had gotten close after I left Ga in the late 90's and infact she's the only one who knew where I went for many years. I know how hard this is for yall as I still miss my daddy so much. Seems like it is still now. But I depend on the Lord and in His Word it says, "To be absent from the body is to be present with the Lord" I know her and daddy are young again and enjoying all heaven has to offer. I am looking for the day that I will join them. I plan on singing and shoutin with the Angel band for eternity. Much love you all. God Bless you... Always will think of yall as brothers.
