I have so many beautiful memories of the time we spent together as children & later sharing the challenges of caring for a family. I have accumulated a box of photos, cards & letters that she sent me over the years & I miss hearing her voice & comparing our experiences over the phone over the years.

“ *My sympathy to Jennifer, Greg and Leslie - and their families. I grew up in Townley and went all through school with Ann 9 years at Townley School and 3 years at Walker County High School. She was such a sweet person! Even after she had lived and worked in Atlanta for years, whenever she made a trip back home to Townley, she would visit me We corresponded for years by mail. After she became ill, I really missed that. I'm so sorry for your loss.*

“ I met Pat in 1984 working at the AJC. She became a very dear friend - one of the sweetest people I've ever known! I will miss her dearly!

“ Pat and I worked at the AJC in 1993 and remained friends ever since. She loved to go to movies, read (especially Stephen King), write and talking about our pets. She always made me laugh. I will miss her very much

“ The world has lost someone who was beautiful inside and out. She was a loving person who had a way of making you feel special. She brought me much joy when I was a child and this continued into adulthood. I have many precious memories of our times together. She is greatly missed.
