“Patty and I were raised together, when our parents married, . She was 9 and I was 7. There were four of us in the beginning. Hilda, Bobby, Patty and me. It was a chaotic and under Privileged childhood, but with the grace of God, we all married good partners and raised wonderful families. One summer when we were 10 and 12, we were sent to Nelsonsville Ohio to spend a month with a relatitive, during our summer vacation. This day, I was swinging off a high hill in a tractor tire, with a bigger girl, and the rope broke, we went down with the tire, the girl and me on the bottom, and it knocked the breath out of me. all of the other kids gathered around and laughed at my gasping for breath, but Patty ran to my aid, and said"you guys leave her alone, that's my sister, and she's hurt ". Even today, decades later, I remember the comfort I felt because of her protection. I love you Patty, your sister Ruth

“I loved Aunt Pat and Uncle Mike! It was amazing that we all lived in Long Island for a period of time. I'm the oldest of the cousins so my memories of that time are different. My memories are of spending some overnights with everyone and having one on ones with Aunt Pat. Such a character!! I have been told on more than one occasion that I should have been Aunt Patty's daughter. That we both were bold and brash!! I ALWAYS took that as a compliment. Plus she was funny and she loved my mom and dad very much. Aunt Pat will be surely missed but we share the promise of being together again. You were loved! ❤️
