“ I remember getting off the bus with Christina and hanging out at Roscoe general store where Pat worked. First time being so close to a horse was at y'all's house and going to the races wondering if there was gonna be a protest or fight happening lol she didn't take crap off nobody. I remember her loving Jeff Gordon too. I'm praying for your family. I know this is hard. She was a beautiful lady. Sending love to you all. God Bless the family and give them strength through this difficult time.
