Patrick had a loving gentle heart. He was very intelligent. I loved teaching him how my mama,his grandmother, made homemade biscuits. He had a passion for cooking. He will certainly be missed and never forgotten. ❤️

Patrick made me laugh like no one else could. He was there for me and loved me with all his heart. He loved his daughter and did his best to be a love for her that she would always cherish. He has his brother back and his brother had his back through the good and whatever came down the pipe, those two brothers stood together. I'll never have a day or a moment in time that I will not miss him and my love for my son will never fade. I'll see you again. Love you, Mom.

“ Rhunae, you Jason and the family are in my thoughts and prayers. I'll always remember Patrick as the tendered hearted little boy that loved shiny, beautiful and colorful things. I'll remember the teenage boy that loved God and the heartfelt devotion he gave at our church Youth Group. I'll remember the young man that was so proud to be a father and the great love he had for his little Lily. I'll look forward to the day we will all see him again. May God hold you near. With love.
