“ *The Mulligan's were among the first amazing neighbors & sweet family we met nearly 20 years ago when we moved to Georgia.*

We hit it off right away bc our little cairn terrior, Georgie, always loved seeing their little dog Lilly walk by our corner house and we'd see them sometimes again when we would walk by their corner house.

We'd always chat and catch up in the neighborhood and still sometimes in the aisles of Publix.

Even when Pat didn't feel good, he would always still smile and say hello & ask how we were.

The legacy of such a sweet wife and family he left behind is truly a legacy of love and good folks.

*Our deepest sympathies to the entire family,
Love Kim and Cliff*
