What an amazing story in video to memorialize Patti's memory. She was truly a beautiful soul and that was taken from this world much too early. I had the pleasure of knowing/working with her for nearly 20 years and she will most certainly be missed. Her family and all who knew her have my heartfelt condolences as we mourn her loss. With Deepest Sympathy, Sandy Daniels (Virginia Beach, VA)

“ *I just learned of Patti's death, and I'm shocked and so sad to hear it. Reading through these messages, I can tell that she was the same Patti that I knew and loved from high school and Michigan State days. I was in her wedding to John! But life pulled us in different directions and we didn't stay in touch very well. Oh how she made me laugh though! Her mother Jean Shannon was also very sweet - for many years she sent me a Christmas card. Patti loved her family so very much, that I do know. I'm sure they will miss her tremendously. God bless you all.*

“ Patti will forever be remembered by our family as a staple of what is the best in people. She had the most caring heart and always made sure to ask how we were. She made us feel like we were the most important people in a crowded room. Her daughter, Sarah, along with her husband are the reason I found my wife and now build our family, in part inspired by Patti's memory. She will be dearly missed.
