“ I met Paul through a couple mutual friends at the Georgia Renaissance Festival. Any time he came in, he made a point to come & see me, ask how I was doing, offer support & trash talk. Paul was and will always be one of my favorite people on this earth. Between wholesome interactions led with love & care, to quick witted barbs with friends over a drink, I'll miss him forever. ❤️

“ I met Paul when he came to visit my son Joel Thomas in Tanner hospital last fall. Joel and Paul were lifelong friends and Joel died last January. Paul came to his memorial service. Joel was being treated for lung cancer and died of sepsis. I know about grief and I'm so sorry about Paul.
