“ *We just read Paul's obituarie in the paper tonight. Somehow we must have missed it earlier. Paul was always a blessing to be around. Since we shared the same home state that he did, and he and Johnny both worked for Delta Airlines, we felt we had something in common. We really missed you both when you moved from our neighborhood. We will always remember you as wonderful neighbors. We are praying for you Jean, and your family at this time. Our deepest sympathy is with you. Johnny and Judy*

“ I offer my deepest sympathy to the Smith family. I met Paul in the early seventies soon after I went to work for Delta. I flew with him many times as a S/O and later as a F/O. He was always one of my favorite Captains, a true gentleman, and the epitome of what an airline Captain should be. I remember meeting Paul's retirement flight and congratulating him and marveling at how young he still looked. I am retired now myself. My fellow pilots and I will long remember him as a consummate gentleman, a good friend and a fine aviator. Kind regards, Truman McCarter Delta Air Lines Captain MD-11 (Retired)

“ So sorry for your loss. I flew with Paul when I was a copilot on the DC-9. He was always kind and tolerated my mistakes. Pat Howe retired, Delta Air Lines pilot
