*My brother just told me of your passing, Words cannot express the close relationship you and our mother had, she truly considered you one of her dearest friends and coworkers (Ft Mc Pherson). When our Dad passed you became even closer always checking on her, and when Mr.Bill passed she constantly checked on you. You both truly were true friends. Our prayers go out to your sons and their families. You will be missed, but a Life well lived.

“ *The whole Pietras family sends prayers for Pauline. She was such a great friend to the whole family going back to 1963 when Jack first met her in Baumholder, Germany. She nursed him through pneumonia but always had an open door for him. In Newnan she always had an open door for any family member that would stop for a visit being a few days or just to spend some time with her. She always remembered the holidays and special family occasions with cards or phone calls. She will be missed by all of us. God has a very special place for her in His kingdom!*🇺🇸
