“ I am so sorry for your loss. May these words found in the Bible at Revelation 21:4 bring you hope and comfort at this difficult time. "And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

“ I send my sincere sympathy to the friends and family of Ms. Baughcum. It was a pleasure meeting her and speaking with her when ever she would come in for testing. She will truly be missed.

“ I want to offer my condolences to the Baughcum family. It is a painful thing to lose a love one in death, regardless of how long they have lived, and it pains our Creator, too. He has promised to bring back to life our love one at Isaiah 26:19 "Your dead will live. My corpse will rise up. Awake and shout joyfully you residents in the dust!...the earth will let those powerless in death come to life" I hope these words give you comfort.

“ To Dee: I wanted to talk to Dee. She knew that I loved her and I know she loved me. Silence moves through me, a quiet sadness, a longing for one more day, one more word, one more touch. I will always remember that she not only died, but that she lived! And that she did. I will miss you my sister/cousin. You have given me too many beautiful memories to forget. Love you always. Kathy

“ It's hard to know what to say. There's so much we could say about Dee. May you find comfort in knowing that Dee touched the lives of so many and gave us all the gift of many happy memories. May I comfort you to know that she is safe in God's care now. Death leaves a heartache no one can heal, but leaves memories that no one can steal. Although it's difficult to see beyond the sorrow, may looking back in memory help comfort your tomorrows. God didn't promise days without pain, laughter without sorrows, sun without rain, but he did promise strength for the day, comfort for the tears and light for the way. Our thoughts and prayers are with you all. Family is one of God's Masterpieces. There's no doubt that Dee loved her family. Love to all. Kathy, Tim and Ryan
