“ Gail, I never had the pleasure of meeting your son but I know he was a special young man from all the tributes. I remember you and your family from years past and The kindness you showed to me. I know your heart is broken and you will miss him terribly. Praying for an extra measure of God’s strength, peace and comfort to be yours at this sad time and the journey ahead.

“ Brad always had the biggest smile on his face and he could always put a big smile on anyone else's face. I never saw a young man that loved his mom as much as he loved you, Gail. It was too short of time to have him in your life, but I know you will treasure every memory, from his silly jokes to enormous hugs. I wish we could be there with you but you know how loved you are.
