“ Just saw Phillip's obituary. I'm so sorry for your loss. He and his brothers and sisters were special. We were kinfolk on the Clifton side, and didn't get to see them often. Prayers and love for the family. Glenda Holloway Laney. Wedowee, Alabama

“ The Clifton reunions on Sand Mountain provided most of my contact with Phillip and the rest of the Georgia family, and it was always such a blessing to have everyone there. The love of family and the wonderful music and comedy you all brought with you was so sweet. Although the family circle is quickly losing links, I am comforted, and I know you are also, that the circle is being reformed in Heaven and the rest of us will join it one day. - Love and prayers, Barbara Clifton Richey

“ Philip was the Grandad that I never had he always took me fishing and hunting with him and James.He taught me my first 3 chords on guitar and helped me and Eddie with our music. I used that to become a pretty good gutair player and played semi professionally becuse of his love for music that he showed me. I remember going to family reunions and listing to him and his brothers play real counrty and gospel .I lived beside him for 20 years even when he moved i still kept in contact with him .It has been over a year since lhad seen him but did talk with him in feb. To wish him a happy birthday.I learned a lot from him I will surely miss him.

“ So many memories.. one that makes me laugh was when he would come home from hunting and he would clean the deer and me and my little sister Ashley would have sword fights with the deer legs. Another was our vacation to the coast we would take during the summer. I will miss and love him always. I love you granddaddy forever and always!
