“ My memory of Philip are the times Greg & I went to his house and the first thing Philip would say is "Hey Pfunk, What's up bro.?" with so much energy & happiness. I could tell immediately that he had a special bond with Greg. The one memory that sticks out the most & truly resonates with me are all the many times Greg & Philip talked on the phone, Philip would always end the call with "I love you bro!" and Greg would say, "I love you too "little" brother or "little bit"! I remember Philip came to bring Greg a sack of Krystals on one occasion and when his battery went bad, Philip stopped what he was doing & said, "Meet me bro. & I'll give you a new battery." I could tell he had a big heart and was always so caring. He always ask Greg how I was doing and took a sincere interest in others. I know he loved his beautiful dogs & talked a lot about his two sons. He has impacted my life and will always be remembered.

“ *Philip was the love of my life. The love of a life time. He showed me so much love and joy, enough to last a lifetime. He taught me a lot about life, God, friendship, and most importantly about myself. I was so blessed and fortunate to have him in my life. I'm going to miss his laugh, his hugs, his voice, his guidance and always needed advice. I know he has peace in his heart. I love you Philip. Joanna*
