“ My Dearest Freeburg Family, I was sad to hear of Ms. Phil's passing, and yet I knew that the Lord was calling her home. I met your Mother when I was a medication assistant at Georgian Place. I'm so sorry I was out of town and did not know about the funeral until I came home Sunday evening. I left Georgian Place to become Dan and Eudora Holl's private caregiver but am now unemployed. I just wanted you to know that no matter what your Mother had this lovely disposition and that lovely smile ! and I mean always! She never knew how seeing her daily changed the way I felt the rest of my shift. I know you will miss her deeply, as I do both my parents. Know she was loved. May God Bless you all and keep you in his loving arms, Sincerely, Margie P. S. Bud- I'm the one that showed you how to find the weather channel on your cell phone, :) when we sat in the hall during the tornado warning night.

“ Bud, I saw your moms sweet face in the paper this morning and thought of the day you were in the unmentionable department with her. I know you will miss her but what a blessing you have had having her as long as you have. Janie and I will be praying for you and the family through this loss. God is our refuge and strength, a very present help in troubles!

“ *Ms. Freeburg was a delightful lady with a wonderful sense of humor, and I thoroughly enjoyed being a part of her life during my tenure as Activity Director at Georgian Place. Her stories, her shared memories, will be with me for a long time. My heart goes out to the families of this wonderful lady, and if there is anything I can do please don't hesitate to ask.*
