“ *Sad to hear about the loss of "Uncle Sonny"! He was brother to my Granny- Carolyn Rhodes. I will always remember his strong handshake and having fun being around him. I loved to listen to the stories of him flying in airplanes. I was always amazed with his love for CB radios- he would try to get a conversation started just so I could hear. I can still hear the surround sound in his house playing the river dance- we both love "surround sound". He, my granny, and I all share a love for gadgets. His faithfulness in marriage to Aunt Nita is an inspiration to me. I'm very thankful that he also served our country in WWII. I know his closest family members are grieving during this time. I am praying for you all and want to encourage you to cherish all the memories. God Bless you all!*
