“ *Loved working with Scott for several years as a new veterinarian in Newnan back in the 80s. We learned a lot together and he taught me a great deal about running a business and taking care of clients. He will be fondly remembered and missed but I know he leaves a great legacy here.*

“ *I'm greatly saddened about Ron's passing. My condolences to Sammy and other members of his family. We have been in and out of touch over the years, and I reached out very recently, only to discover now, indirectly, that I was too late. Rest in peace, Ron. You will be missed more than you could ever guess. Your (half)-sister, Rose Marie [Pixie] Wilson*

“ Dr. Reeves was our vet for several years until he retired. His tender loving care was the best. His manner with his patients and their adoptive "parents" made me wish I had a medical doctor that I liked as well as I like him. He helped me keep my Puff baby as long as possible. I was there so often that Dr. Reeves and Ms Sammy knew my car in the lot when they came back from lunch. Ms Sammy and the staff were always helpful and kind. That was my vet for life, and then he retired while he was still a young man. It took me a lot of years before I ever found a vet that met the standards Dr. Reeves set. I got lucky.

To Ms Sammy and the rest of the family, you have have my deepest sympathy and my prayers. I haven't seen you in years, but I have no doubt I will see him again. I have a lot of pets in Heaven and more to go. I'll need a good vet to help me with them. God bless you all.

“ I started taking my fur babies to Dr. Scott shortly after he opened Coweta Animal Hospital and continued to take my many cats to him until he retired. I'm sorry to hear of his passing. My sincere condolences to his family.

“ *Dr. Reeves was our Veterinarian for a long time. He saved my dogs life. I thought there was no hope but he didn't give up on my pup. I got to enjoy many more years with my Snoopy because of Dr. Reeves. I will always remember him for being caring and compassionate. Prayers and hugs for his family during this difficult time.*
