“ I have heard that the same sex parent influences their child the most and I find that so true with Randy. I know Guy and Karen so well but I had lost track of Randy except for face book and hearing from his parents and friends. Today as I sat in the funeral of Randy and each speaker stood and talked about stories of them and Randy it seemed to me that they could have been talking about his dad Guy. Not saying that Karen is not a wonderful person because she is but I could tell that all that goodness that I see in Guy came out in Randy and Guy for that you can be eternally great full because everyone spoke so highly of him and Karen you also made him the wonderful man that Randy Cox was to his world. My deepest sympathy and love to his family and friends.

“ To the Cox family ... My thoughts and prayers are with each of you at this time. Your son, husband, and father was truly one of a kind. I have many fond memories from high school. He was one of only a few people who called me by both my first and middle name every time our paths crossed. In the days to come, I pray that God wrap his arms around you and give you the strength and understanding as only He can. Randy - until we meet again my friend.... Kathy Jo

“ Many special thoughts and prayers for you and your family. I worshipped with Guy and Karen at First Christian years ago and remember Randy as a boy. I never knew him as a man, but considering all the words spoken of him, he had grown into a wonderful man. My heart hurts for Randy's entire family.

“ Brother Guy, We will be praying for you and all the family in these dark and sorrowful times. Please know that my wife and I and our church share your grief and want to help in any way we can. It is in times of great testing like these that we find the Lord Jesus to be our "Shepherd" indeed! It is only the "Rock of Ages" that can sustain in such an hour, but He has never failed.
