“ Robin and Rachel I am so sorry to hear of Randy's passing. So many memories flooded my mind when I heard the news. All are good memories, most make me laugh. Randy and I worked together with Larry and we all played a lot of poker as you know. I wish we were sitting beside the river now playing with the gang. Godspeed let me know if I can do anything to help.

“ I am so sorry to hear of Randy's passing. We have known each other since we were kids. We had a lot of fun times back then helping my grandfather during our summer breaks from school. I was also fortunate to work with Randy as an adult in law enforcement. He was always quick to help a person in need. My prayers are with the family during this sad time.

“ As the Occupational Health Nurse, I worked very closely with Randy and the Safety Loss Prevention Program at KMart DC. It was a great job, made even better by his support and encouragement. I was able to build some strong friendship at the DC as I learned so much about productivity and safety loss prevention. Robin and Rachel were like family. When we adopted our daughter, Randy named her "Hush Hannah!" 21 years later, I think of Randy every time I tell her to hush! Some people become a gift that you always hold dear. Randy is one of those people. I will keep the family lifted up in Prayer.
