“ Randy has been a very close friend ever since we were in Mrs Ray's Kindergarten together. We had great times (and maybe even got in trouble together) all through Elm Street, Ruth Hill, OP Evans, Central and Newnan High. And we stayed close friends after graduation.

I couldn't have asked for a more loyal friend than Randy. We still talked at least once every week.

I will miss Egghead.

Until we meet again, I love you brother!
