“ Mr Daugherty was our neighbor on Slash Pine Dr in Forest Park, Ga. He took Prom pictures for me and even my Senior Pictures! He always had a camera handy for no reason at all!! He was strict, and I understand now why!! He m so sorry for your loss, but Heaven has another Angel!

“ Thankyou for all you ever did for my father and for us. Thankyou for every Christmas we spent at your house. For being there for my father before he passed. For us after he passed. May God grant your family peace and healing as he did with mine.

“ Uncle Randy, you used to tease that Dolly Parton’s song, “To Know Him is to Love Him” was written for you and we all totally agree! You will be forever loved! There’s a space in our lives no one else can fill. PS) I call the last orange danish!

“ Randy was a great friend of mine, we shared Real Estate and we both were Ham Radio and many other ways we were friends. Couple years ago I sat with Randy and we talked about his relationship with the Lord Jesus Christ and he assured me that he had put his Trust in the Lord.
John 3:16 King James Version (KJV)

16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

“ I've tried to keep in touch with Joyce recently and keep updated with Randy's condition. I hired on with the FAA in 1984 and Randy trained me for about 6 months or so. During that time, we became close and became very good friends and have kept in touch during that time and that's been over 35 years, not many friendships endure that amount of time. Randy was a very special person and I considered him as a brother, especially since we were both Veteran brothers. I last saw him close to two months ago, he and Joyce joined several of us that all worked together for lunch. His health was really starting to fail.

Joyce knows how close that I was to Randy but I wanted to share this so the rest of his family could see it. Unfortunately, I've never had the opportunity to meet any of you. I know that I have a couple of pictures with Randy in them and will try to find them and post them on here in the next couple of days.

My heart truly goes out to each of and may you find comfort in knowing that Randy was a truly great person.
