“ Ben and Kevin, I just wanted you to know how sorry i was to read of your Dad's death. I know that he and your Mom are together again. It was truly a pleasure working with your Mom at LaMar Management. We have really missed her a lot. I know your dad was really proud of the four grandchildren. I just wish that your Mom would have lived to have her granddaughter, she wanted one so badly. She would keep M&Ms in her desk drawer for when my granddaughter from North Carolina came to visit. Again, I am truly sorry. May God Bless you both and your families. Pam

I always enjoyed visiting with him when he would see me as a patient and my Dad always would tell me how good to our family he had been. “ I was a neighbor of Wendell Muse in the 50's. We were class mates at Carrollton High School. I also know Benny who is his younger brother. I saw Wendell at our class reunion several years ago and enjoyed speaking with him. He was a nice man, and I am sure he will certainly be missed. My condolences are with all his family.
