“*Connie and Raymond, Our thoughts and prayers are with you both during this difficult time. As you know, God will lead you through this greaving process. Life is but a stopping place, a pause in what's to be a resting place, along the road to sweet eternity. We all have different journeys, different paths along the way, we all were meant to learn some things, but never meant to stay. Our destination is a place far better than we know. For some, the journey's quicker and for some the journey's slow. And when the journey finally ends, we'll claim a great reward and find an everlasting peace together, with the Lord. Love you both, Tina and Terry (Aunt Gail's daughter and Husband)*

“ My deepest sympathies are with you and your family. I worked with raymond at yamaha, he was a very well mannered and sweet boy. He would do his best to get his job done and done correctly. We at yamaha saw a big difference in raymond over the past few months and were very concerned about him. It was told one employer had a talk with him and he admitted to having a problem. When he was no longer coming to work we thought the talk he had made him want to get help . I am truly devastated by his passing, words can not explain how i feel because i have a son the same age as raymond and i cannot imagine the sorrow you are feeling at this time. If there is anything i can do please feel free to contact me. My condolences Janet Torres

“ I want to express our sympathy to the family. We lost our 25-year old son, Scotty Roberson on April 14, 2008 in an accident in Coweta County. He also worked for Yamaha in Newnan. I know we don't know each other, but I know what you are going through. It is tough. If you want to talk just send me an email. You are in our thoughts and prayers. Calvin and Jackie Roberson .
