“ I am so sorry to hear of Rebecca's passing. She was one of the most kind, selfless, loving, humble people that I have ever met. Whenever Rebecca would volunteer her time at Habitat for Humanity, she would lift the spirit and mood of those around her. Always friendly, always stopping to take the time to talk with people, sharing a smile and often times a delicious meal, she was such a blessing to us, and to me personally. Rebecca has left a mark on my life and I will forever carry the lessons learned from her. My deepest condolences to her friends and family.

“ Mark, I was shocked when I saw the obituary in the paper. Tom and I lived across from you at Homeport Dr. I am so sorry to hear about Rebecca. I saw her and Abigail in Publix a few years ago. I am praying for you and Abigail during this sad, sad time.

“ She's been a constant in my life for the last 8 years. Working beside her, learning from her and being left to run her business, means more to me than I was able to tell her. I feel her with me everyday and know that she's sending her love to all of us. Rest in peace sweet angel.
