“ I found this 7 years too late. Becky and I were penpals from 1976 until we finally lost track of each other in the early 2000's. I often wondered where she was and how she was doing, never dreaming of this. My condolences to Yogi.

I meet Becky while working for Bell South at 109 Smith Street in Jonesboro. She worked as a Teller along with Lucy, Jane & Ally, wonderful ladies and a joy to work with! Becky had a smile and a hug for everyone! Remember our weekend trips to FI with Faye, Sue, Lane and Becky, what memories we share!! Becky and I shared a love of sending cards and writing letters. She always wrote on the cutest stationery!! I still have many of them!

Her & Yogi loved to have your visit to their lovely home they built in Dahlonega.

The thing about Becky was she had this great soul and a huge heart! A delightful lady with a joyful soaring spirit! That was obvious to everyone that knew & loved her!!

Until we meet again my friend!! Love you always Margot :)

“*Our thought and prayers are with Yogi and all the family. I was lucky to have worked with Becky at Southern Bell and became friends and later roommates back many years ago. We will always remember the laughter and fun times we had! Becky with the sweet and beautiful spirit that makes you smile and laugh and the thoughtfulness with every card she would send! I know your Mother and Dad will welcome you in heaven within their safe arms!
Love you Becky!

“ *Becky Tritt you know I Love Ya !!!!! I can hear it right back, Sheila, you know I Love Ya !! There was a time that I talked to my Dear Friend every single day !!! Oh goodness !! I do have a huge void in my life, but Becky I know you are in a far better place today, full of fun, laughter and love that you always have shown. Thank you for the friendship that we have shared over the past few years!! You will never be forgotten !!*

Crystal, Thank you for providing the love, support, and care that both Becky and Yogi have needed over these past 5 years. Becky knew in her heart that you were the right person to make sure that they have been cared for, through making sacrifices of your own, you have done just that. You deserve Golden Wings my dear.

To Yogi and The Allen Family, you are and will continue to be in my Thoughts and Prayers as you go through the difficult time.

*Your Forever Friend

“ *Becky, how do I try and express the loss I feel. You've left a void in my life that no one will replace and I know a lot of other people feel the same way. Would love to laugh again so hard the tears roll down our cheeks, oh how infectious was that laugh! I will carry many happy memories, along with some sad ones, but I assure you the happy ones will outweigh the bad. You always said life was hard and I don't know anyone who could know that better than you with all you have had to endure these last few years. Crystal, you have been Becky's rock and I know she knows now all you have had to go through and sacrifice. As much as I will miss you Becky, I know you are perfectly healed and heaven just inherited a lot of laughter and good times.*

Yogi, Crystal and family, you will continue to be in our prayers.

Now as you would always say when we were together, I just love you!

“ It was a privledge to work with Becky at Bellsouth for many years. Her loving, kind spirit, and vibrant personality was contagious. She was beautiful inside and out. I will hold onto those precious memories of her, and especially those of her at her surprise birthday party just a few years ago. May God comfort you Crystal, Yogi, and the rest of the family, as no one else can, in the days ahead. God bless you.
