“ I have had the privilege of being an “adopted” member of the Wright family for 54 years. Mrs. Wright was an extraordinary person and her children are a testament to the wonderful life she lived. They honor her memory by being the incredible individuals each of them has grown up to become.

“ She was such a good influence on so many of us. She knew how to love, listen, and care. We rest in the assurance that today she is happy with Jesus. She will always be part of our lives because of the legacy she shared.

“ *Becky was so precious to me - I cherish the phone calls just to say  
hello and to check on me and my family. We had many wonderful  
conversations about our Lord Jesus and sharing our faith in Him. I  
also cherish the memories of our teen years, hanging out together  
with Mary Jane Long, Brenda Cannon Henley and myself. And with  
her dad, my uncle Johnny - he loved having "his" girls together at  
their home and we loved being their. Becky we will miss you, but  
delight in knowing that you are now walking the streets of heaven  
with our Lord!*

*My sincere sympathy, prayers and love to you Ernest and family,
