

## Rebekah Suzanne Tabb

November 22, 1992 - January 23, 2026

Rebeka "Bekah" Tabb, of Newnan, Georgia, passed away unexpectedly. She attended East Coweta High School, where the roots of her deep loyalty, strong work ethic, and caretaker heart first took hold.

Bekah was the soul of The Cellar Bays in downtown Newnan. Fiercely loyal to her family and coworkers alike, she poured herself into everything she did. She loved her customers deeply and treated every visit as an opportunity to make someone's day - and often their life - a little better. Those who worked alongside her will forever miss walking in to hear her familiar and affectionate greeting: "Hey babe."

Bekah was the first to offer help and the last to accept it. She carried a true caretaker's heart and found purpose in lifting others up. She especially loved training new employees, proudly guiding countless young people through what she fondly called the "Cellar College" kids. Her mentorship didn't just prepare them for the job in front of them - it set them up for years of success in whatever paths they chose to follow.

Beyond the bar, Bekah had a boundless love for animals and was known for rescuing any stray she could find. Compassion came naturally to her; it wasn't something she turned on - it was who she was.

Bekah is survived by her mother and best friend, her beloved Mary Ann McLeroy; her brother, Benjamin; her nephews, Mason and Carson; her niece, Arya; her aunt, Belinda; and cousins Glenna, Samantha (Mark), Sean, and Erica. She was preceded in death by her father, Wendell.

A Celebration of Life will be held on February 8, 2026, from 2:00 to 5:00 p.m. at The Cellar Bays in Newnan.

Bekah's presence filled every room she entered, and her absence leaves an immeasurable void. She will be remembered for her warmth, her loyalty, her humor, and the countless lives she made better simply by being herself.

“ *I had the joy of meeting Bekah when I first moved to GA in 2011. She was kind and funny. I remember how much she made me laugh. I moved to TX and came back to GA in 2017, and ran into her again. We reconnected and refreshed our friendship. I saw her weekly in Newnan and at the Bays. I miss you Bekah. I never thought you'd be a friend I'd be saying goodbye too. We have more UNC Kentucky basketball to discuss babe 😭 I love you*

“ *Bekah always had the biggest smile and the sister cheeks when we went to see her at the Bays. I'll miss that smile so much. She was Aunty Bekah to our dog, Penny, who always got so excited to see her because of the love she showed her. Penny was best friends with Bekah's dog, Ester (or Poly, as we called her). Penny will miss Bekah and so will we. God's speed Bekah, we love you.*
