“ *I'm shocked and greatly saddened to hear that Rena has passed away. She was my husband, Eric Weegar's mail substitute for many years and always was ready to work in Eric's place. When he had open heart surgery and numerous cases of pneumonia she worked six days a week to help Eric. I used to enjoy chatting with her on the phone for hours at a time and nobody could make me laugh like Rena. I want to express my deepest sympathy to her entire family. God bless all of you.*
