

Renee Mansour McGraw

July 2, 1954 - February 22, 2022

Renee Mansour McGraw was an extraordinary mother and beloved wife, grandmother, sister, and friend. She passed away unexpectedly February 22, 2022 at age 67.

She was born to Marguerite Maloof Mansour and Taft Mansour in Newnan, GA. Renee is survived by her husband Michael E. McGraw; children Erin McGraw (Jada - granddaughter), Lauren McGraw Kraemer (Nick Kraemer), and Michael McGraw; siblings Joy Barranco, Taft Mansour, Jr., Greg Mansour, Donna Loken; numerous nieces, nephews, and extended family.

Renee was a central part of so many lives in our community. Anyone who knew her would attest, once you met Renee, you were loved by her. She was a 1972 graduate of Newnan High School and a graduate of Valdosta State University where she was the President of the Kappa Delta Sorority. Professionally, Renee and Mike built a successful event planning company, Entertainment Limited/Tneve. Renee expanded her circle of longtime friends through her caring relationships with co-workers at Piedmont Hospital, Encompass Health and most recently Niagara Water.

Renee was a woman of many gifts, most notably, her gift for opening her heart to and understanding all who had the privilege of knowing her. She encouraged and supported many young persons in identifying and living up to

their potential. Renee was generous, full of life and laughter, had a smile that would light up a room and she was always ready to have a good time.

We lost a community giant in Renee. Whether it was the Special Olympics, Coweta County Food Pantry, welcoming others into her home or passing out cotton candy to trick or treaters, Renee was like the mother we all needed at any given moment.

She was cherished and will be missed.

“ I'm so sorry to hear about Renee's passing. Mike is my mom's first cousin, and although I had only met Renee and her family a few times, I'll never forget her tremendous warmth and generosity. Once, while in college, a friend and I got stranded outside of Atlanta due to some youthful miscalculations. She welcomed us into her home at 1 a.m., laughing and offering us a million different comforts. My friend and I couldn't get over how wonderful and welcoming she (and the whole family) was - we still talk about that night fondly. My heart goes out to all to the whole family. I know she'll be deeply missed.

“ Renee and I were sorority sisters (Kappa Delta) at Valdosta State University many years ago. From even a young age, Renee was the natural born leader that our sorority needed and that others were willing to follow. She always made decisions by first filtering them with her very strong value system and then by making sure that the people involved felt supported, included and loved. She was the glue that held our group together way back in college and I'm sure was the glue that held her family and friends together in Newnan. Although she will be sorely missed, she leaves behind an extraordinary life, a beautiful family and a host of friends that will keep her memory alive.

“ My thoughts, prayers and love to you all. Living in Newnan, everybody knew the Mansour family. So, I can't recall not knowing Renee and Connie. I had the pleasure of working with Renee at the hospital. She truly loved people and my goodness she was loved in return. She was such a beautiful soul. Renee had the most bubbly personality. She had a smile that was contagious. I love mischief and she knew it so we always shared a laugh and we had fun. I am so heartbroken. Mike, kids, family and friends, I know your hearts ache. Renee was a wonderful and special person and she will be missed. Again, my thoughts, prayers and love to you all. Kristi Cash Thompson

I remember Renee from years ago when she was a bubbly educator at Newnan hospital. She was so well prepared and she never needed a microphone. She projected herself beautifully. She was so friendly and always had time for people.

Such a heartbreaking loss for AI that knew Renee. She had such a positive impact on my life and I treasure the memories of our times together. Our families had some great adventures together. The Mansour family embraced us when we lived in Newnan and made us feel like we were part of their family. I will miss her so very much.

I was at Valdosta State with Renee. I will always remember Renee as the person in charge. She helped me dress as her for a costume party. I wore her KD Jersey and a wig and it was such a hit. Always fun and such a great person.

When we moved here in 1966, the Mansour family welcomed us with open arms. We were Catholics so we were together quiet often All of the family meant so much to all of us. i am so broken hearted to have gotten the sad news of her passing. She had the most beautiful smile and loving ways. She will be missed by all. Our thoughts and prayers are with Mike and family.
