“ May God bless the family of my friend Richard. Richard was a good man that I enjoyed working with for several years at Fulton County Schools Warehouse. He was always up for fun and laughter in the midst of working. He liked to talk about his children and "Miss Vickie" as he called her. I really enjoyed his company. So sorry I'll be out of town and not able to attend his service, but know all of you are in my prayers. He'll be missed!
