“ *I'm writing this with a very heavy heart. I have wonderful memories involving this sweet man... with Rich, Coby, Mr. Herb and Ms. Mary. I always appreciated Richard's big, beautiful smile and his kind, gentle demeanor. Family, I pray that God will bless you with peace and comfort in this difficult time through His everlasting love and grace.*

“ Big R was so much a part of our family and he is already missed. I am so happy that we had a chance to know him and to spend memories with him. Our Florida trips were always the best with Big R (and our awesome July 4th shirts)!! You will be missed but your memory will always be present! Thank you so much for the gift of your selflessness to each and every one of us! We love the Foster family and please know that you are in our prayers!

“ Big R was someone I loved and respected. When I was younger and going through a hard time I mentioned an interest in learning how to shoot. Big R took the time to take me to lessons and help me learn a skill I am proud to have. He was a very patient, kind, and generous man. It made him happy to see others happy. I will forever be grateful for the time I got to spend with him and all that he taught me. He was a great man and will always be remembered.
