“ *I'm sorry I'm so late leaving a message.. IRicks passing was so sudden to this day I still can't believe he's not here with us... I thought the world of him & when I had a problem or was upset about something he ALWAYS knew just what to say to either cheer me up or fix the problem... Heaven definitely gained a GREAT angel when he arrived, I can only pray he is one of my guardian angels cause I have faith he will continue to help keep me safe.. Ledford family you are in my thoughts and prayers daily.. Hope all is well..*

“ *Rick was the best. I have so many amazing memories of just hanging out and laughing with him. Although life took us in different directions, we always had a special place in our hearts for each other. My brother, my friend, I will miss your smile and laugh! May you rest easy now, and not hurt any more. Sherry and Cara, I am sorry I can't be there in person. I hope that in time, good memories will be remembered. Lots of love, Tanya Kells Thomas*

“ Rick was one of the very best friends I've ever had. For many years we were inseparable.
We had so many memories, from concerts to even a high speed chase by the APD.
I MISS YOU ALREADY BROTHER AND I LOVE YOU. I'M SORRY I DIDN'T DO MORE FOR YOU
